COBALT BOATS

R33

COBALT BOATS

R33

Your boat is elegantly classy, Mr. Bond.

The new standard for wish fulfillment.

If you're ready to experience a more sophisticated example of day-boat luxury, size, comfort and, especially, performance, take a look at our all-new R33 runabout.

With its impressive 33' 4" LOA and 10' 6" beam, the R33 Sterndrive excels in every aspect, with its sleek lines, agile handling and numerous amenities. Ideally suited for boating with family and friends – many friends, if you'd like – the yacht-certified R33 is spacious, of course, but was also designed to thrill and awe.

The Cobalt R33 performs as beautifully as it looks – and provides a truly exhilarating experience. It's outfitted with twin 430 big-block engines offering a maximum, combined 860 horsepower – effortlessly producing top speeds in the mid-50s.

This is nothing short of remarkable, given that you and your passengers can be cosseted with such luxury appointments as a hydraulically actuated swim platform, a one-touch, all-electric planar folding tower and sunshade, and the industry's first Harman Kardon marine audio system, as well as advanced handling tools like a multiscreen Garmin glass cockpit, an intuitive joystick docking controller and a customized Seakeeper gyroscopic stabilization system.

Conveniences range from a cabin that accommodates sleeping as well as seating, to a side-entry door, a built-in smart TV and a wealth of ultra-fast USB-C charging stations and cupholders. Fully capable of fulfilling the wishes of the world's most famous movie spy, the new R33 was instead inspired by someone even more important:

You.

R33

The undeniable sense that you've arrived.
Elates and elevates.

SPECIFICATIONS

Length Overall w/Swim Platform	33' 4"	10.16 m
Beam	10' 6"	3.20 m

Advanced Capabilities.

Customer-Inspired Innovation.

Inspired by and for our discerning customers, Cobalt has always sought to more performance, more luxury, more comfort and, above all, a more memorable boating experience.

In keeping with this goal, Cobalt has since its inception set the standard by which day boats are measured, to help ensure that your time on the water is everything you expect it to be. Here are just a few of the many thoughtful advances we've pioneered:

- ☞ The Cobalt Splash & Stow® system, simplifying the storage and handling of large, yacht-style inflatables
- ☞ The new Cobalt side-entry door, introduced on the R33
- ☞ The first boat brand to offer a Harman Kardon audio system, introduced first on the R33
- ☞ The new Seakeeper for Cobalt, the industry's best-in-class gyroscopic stabilizer that eliminates 95% of boat roll
- ☞ A dedicated storage pod for a Yamaha Seascooter underwater propulsion unit
- ☞ The new patent-pending Cobalt E-Step™, the first swim step to electrically lower into the water
- ☞ The Cobalt flip-up seat bolster, for better views over the windshield
- ☞ Cobalt's advanced bimini top adjustment system of stainless steel poles and a built-in turnbuckle, to eliminate the need for cumbersome fabric straps

Your Personal Voyage of Discovery.

America's Boat-Building Experts.

As our owners have known for more than 50 years, there's nothing quite like a Cobalt. Their high standards have led us to excel in every way we can to keep them satisfied, as well as to keep them coming back for an even more satisfying boating experience.

As a result, our ongoing commitment to performance, luxury, innovation and overall excellence has made Cobalt owners passionate about their boats, and welcoming to the other boaters in the Cobalt family who share their values.

That commitment is shared as well by the team of boat designers and builders in Neodesha, Kansas, who work to ensure that every innovation, feature and capability meet the high standards our customers expect, and that the Cobalt promise – Experience Extraordinary – is fulfilled in every Cobalt model.
