COBALT BOATS

R35

R35

Command the Water.

Sophistication In A Size
That Welcomes You Aboard.

The new standard in day boats has arrived. The largest and most advanced of our R-Series, the R35 delivers everything you might expect – luxury materials, stand-out ride, thrilling performance – and then some.

With its unmatched 35' 4" LOA and 10' 10" beam, the R35 Sterndrive delivers even more size, comfort and convenience, while incorporating the elegantly sleek lines, agile handling and thoughtful amenities that are standard with every Cobalt. An inviting space for boating with family and friends, the yacht-certified R35 is also equipped with a mix of advanced features that add to your enjoyment.

Powered by your choice of Volvo or Mercruiser twin engines, the R35 Sterndrive is impressively fast and capable. Popular Cobalt features like Harman Kardon audio, a side entry door, Seakeeper gyroscopic stabilization, electric folding tower and sunshade, and our patented Splash & Stow® inflatable system are joined by such all-new options as Helm Watch, which gives your guests direct access to charts and cabin controls, and a patent pending space-saving, pop-up galley that deploys at the touch of a button.

The large cabin accommodates both seating and a full-beam, queen-sized mattress, an optional built-in smart TV and a wealth of ultra-fast USB-C charging stations and cupholders help you anticipate your passengers' entertainment needs.

When you're ready to step up to the top of the line, the R35 is ready for you.

R35

Strikingly Noticeable Presence...

Complemented by timeless innovation.

SPECIFICATIONS

Advanced Capabilities.

Customer-Inspired Innovation.

Inspired by and for our discerning customers, Cobalt has always sought to deliver more: more performance, more luxury, more comfort and, above all, a more memorable boating experience.

In keeping with this goal, Cobalt has since its inception set the standard by which day boats are measured, to help ensure that your time on the water is everything you expect it to be. Here are just a few of the many thoughtful advances we've pioneered:

- ☞ The Cobalt Splash & Stow® system, simplifying the storage and handling of large, yacht-style inflatables
- ☞ The first boat brand to offer a Harman Kardon audio system
- ☞ The Seakeeper for Cobalt, the industry's best-in-class gyroscopic stabilizer that eliminates 95% of boat roll
- ☞ A dedicated storage pod for a Yamaha Seascooter underwater propulsion unit
- ☞ The new AutoDeploy Galley option with a sink, microwave and optional electric grill, developed for the R35
- ☞ The new "Helm Watch" option, which provides passenger-side screen views and controls for the stereo and other cabin features, also introduced on the R35
- ☞ A Deep Freezer/Fridge that combines two appliances in one unit, introduced on the R35
- ☞ The new patent-pending Cobalt E-Step™, the first swim step to electrically lower into the water
- ☞ The Cobalt flip-up seat bolster, for better views over the windshield
- ☞ Cobalt's advanced bimini top adjustment system of stainless steel poles and a built-in turnbuckle, to eliminate the need for cumbersome fabric strap

STANDARD EQUIPMENT

Dash and Instrumentation

Compass, Digital
Composite Helm Eyebrow, Custom Stitching
Depth & Water Temp Gauge Pkg.
Glass Cockpit, Dual Garmin 8610
Hour Meters
Stainless Steel Switches
Steering Wheel, Black Leather/Stainless Steel
USB/USB-C Receptacle Charger

Engine Options

DTS (Merc)
EVC w/PTA & Cruise (Volvo)
Trip Computer (Volvo EVC)

Exterior

Anchor Locker
Arch w/Hard Top
Arch w/Hard Top

Windlass, Fresh Water Washdown

Your Personal Voyage of Discovery.

America's Boat-Building Experts.

As our owners have known for more than 50 years, there's nothing quite like a Cobalt. Their high standards have led us to excel in every way we can to keep them satisfied, as well as to keep them coming back for an even more satisfying boating experience.

As a result, our ongoing commitment to performance, luxury, innovation and overall excellence has made Cobalt owners passionate about their boats, and welcoming to the other boaters in the Cobalt family who share their values.

That commitment is shared as well by the team of boat designers and builders in Neodesha, Kansas, who work to ensure that every innovation, feature and capability meet the high standards our customers expect, and that the Cobalt promise – Experience Extraordinary – is fulfilled in every Cobalt model.
