

COBALT BOATS

CS23

The American Beauty.

Built with pride in the heart of America.

There is something special about this one. Maybe it is because she comes from a legendary line. Perhaps it is her timeless good looks? Her ease and function? We say yes, yes and yes again.

The Cobalt CS23 measures over 23 feet of wisely used space. She has a completely new hull and deck design, too. Sleek, simple and artful. Step inside and check out the detailed interior including the island sun lounge with a starboard-side walk-through, Cobalt-branded interior pads, intricate colored stitching details, and digital helm instrumentation. Oh, and the Bluetooth sound system with six speakers – yes, that too may cause your audiophile guests to awe in your direction. Compliments will keep a 'coming as your crew marvels at her innovative qualities – making you look savvy, smart.

The CS23 is the perfect choice. She appeals to those who do not wish to compromise luxury or performance. And now are the days that one should never compromise either. The CS23 - built with pride in the heart of America, Neodesha, Kansas.
