ABOUT OUR COMPANY

Here at Cobalt, we have been designing and building boats since 1968. Our boats have always been know as the best in the world and our team in Neodesha is the primary reason why. Our boats are hand crafted, and we take great pride in the variety of skills, talent, and sense of accomplishment that comes along with building the very best. In our culture, every single associate, every role, is equally important and we succeed only when everyone feels a sense of ownership in how we accomplish our work. We are always interested in recruiting new teammates that are willing to work hard, learn new skills, and enjoy tremendous rewards for achieving success!
